SHEFFIELD, ALABAMA 35660-0578

Brother and Sisters,

I am the newly appointed Interim Business Manager/Financial Secretary of IBEW 558. The membership was chartered February 28, 1918. This great Local has sustained many years of successful and positive growth in 104 years. This Local was founded to enforce better working conditions and secure a better way of life for our members and their families.

IBEW 558 has weathered a great depression, numerous recessions, world wars, and of recent, a world-wide pandemic. Local 558 and its members have always taken great pride, passion in our trade, and the fact we perform when called upon at higher level of Craftmanship than any competitors.

We will rise to any occasion, overcome any diversity and will stand in solidarity to protect our past, present, and future. If we have any members not willing to rise to any circumstance to complete our goals in the present and future, then step aside because there will not be room for you on this new path as we travel into the future.

I believe that our best years are ahead of IBEW Local Union 558 and will assure the body of membership that we will overcome any obstacle, situation or adverse condition with integrity and character. I will not tolerate any defamation of our members or officers from any one group, family, or member. I solicit to all members to get involved, be active, be the answer not the problem, ask questions so you are not misinformed and if you can not speak positively then silence is your best friend.

In closing I want to assure the membership that we are in good hands, our goals will remain high and our future will remain bright.

Darrell Miller  
Business Manager/Financial Secretary
